Dear Mr. Bridgewater,

As per our conversation on September 12, 2011, we were not able to attend the Status Conference as we were not notified. We have been in a 3 year battle with cancer and changed our mailing address to a mailbox only two miles from the house instead of 18 miles. With having to go to Arizona for many months of surgeries, cutting costs in every way possible was a priority. Notification of our change of address to you was obviously overlooked for which I apologize, as I can see it caused extra time and mailings on your part.

Our correct address is as follows:

Richard Brooks & Beverly Brooks
HC 61 Box 1024
Ramah, NM 87321

Thank you very much for your information and kindness concerning our situation.

Sincerely,

Beverly Brooks
