No. 01cv00072-MV-WPL

ZUNI RIVER BASIN ADJUDICATION

Subfile No. ZRB-2-0038

NOTICE OF ERRATA CONCERNING CM/ECF DOCUMENT 3315 AND REPLACEMENT DOCUMENT

Upon review of *Joint Cross-Motion for Summary Judgment on the Disputed Water Right Claim and Response to Defendants' Motion for Summary Judgment* (Doc. 3315) (Cross-Motion), the United States has identified an unintended typographical error that developed in the final preparation of the document. At page 14 of the Cross Motion, a subheading that demarked the start of Plaintiffs' third argument (i.e., response to Defendants' Motion to Summary Judgment Doc. 3305) was inadvertently incorporated into the text of the previous argument. Thus, though Plaintiffs' entire argument is properly presented, the start of the argument is not properly identified.

The United States has corrected this error and the corrected document has been attached to this notice. This correction adds neither argument nor pages to the Cross-Motion.
