ZRB-1-0103		

(Instructions: **Initial** in one of the two boxes to indicate whether you object to the description of water right(s) contained in the proposed Consent Order offered by the United States and the State, or whether you make no claim as to the water right(s) described in the proposed Consent Order. Provide the appropriate explanation below, and indicate what you have done to resolve your disagreement with the United States and the State, in the spaces provided below.)

493

I (We) object to the description of the water right(s) described by the proposed Consent Order for Subfile Number ZRB-1-0103 because:

(explain) Based upon the existence of a property or vested right for three acre feet per year as provided by statute and the Rules and Regulations of the State Engineer and/or a property or vested right in a permit allowing the diversion of up to 3 Acre Feet per year.
(Attach additional pages if necessary)

I (We) made a good faith effort to resolve my disagreement with the Consent Order proposed by the United States and the State by:

(describe) We had a consultation in Grants, NM on Feb. 8, 2006 at 3:00pm and it was not resolved.

(Attach additional pages if necessary)

I (We) claim no right for the water right(s) described by the proposed Consent Order for Subfile Number ZRB-1-0103 because:

(explain) N/A

(Attach additional pages if necessary)

I (We) understand that by making this claim and filing this document I (we) am (are) not waiving my (our) rights to later raise, in an Amended Answer, any jurisdictional or affirmative defenses I (we) may have.

(Instructions: Each named defendant, or the defendant's attorney, must sign and date this Answer. If multiple defendants are named and you have separate addresses or telephone numbers, please attach an additional page providing address information for each defendant. If you are signing on behalf of a named defendant, you must indicate the source of your legal authority to do so and provide both your address and the address of the named defendant.)
