

data for wells involved in the subfiles and by additional field investigation concerning stock ponds and other water uses on the affected properties.

2. Also as a result of the April 5, 2006 consultation, and updated information obtained from county records, it appears that two new subfiles, ZRB-1-0147, involving Daniel Meech and Patricia Meech, and ZRB-1-0148, involving Walter V. Meech Jr. and Norma M. Meech, need additional field survey work.

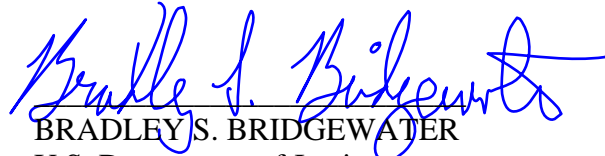

3. An extension of the Answer date applicable to Subfiles ZRB-1-0064, 1-0115, 1-0147, and 1-0148 to October 12, 2006, a date approximately six months from the date of this motion, will permit accumulation of a sufficient metering record, the conduct of necessary field investigations, and the preparation and review of new or revised Consent Order documents to conclude these subfiles.

4. During the consultation on April 5, 2006, counsel for the United States and the State discussed the requested extension with Bruce Boynton, counsel for Walter Lee Meech, C & E Concrete, Inc. and Meech-Cash, LLC. Tanya L. Scott, co-counsel for Walter Lee Meech, concurs in this request.

Accordingly, the Plaintiffs respectfully move the Special Master to extend the Answer date in Subfiles ZRB-1-0064, 1-0115, 1-0147, and 1-0148 to October 12, 2006.

DATED: April 14, 2006
