ORDER GRANTING MOTIONS FOR EXTENSION OF TIME

THIS MATTER is before the Special Master on the July 13, 2001 Motions for Extension of Time to File Responses to the Reports of the United States of America and the State of New Mexico, filed by the Yates Defendants and the Salt River Project Agricultural Improvement and Power District (Docket Nos. 66, 67).

Having reviewed the motions and the reports filed by the United States of America and the State of New Mexico ("Reports"), and being otherwise fully advised in the premises, I find the motions are well-taken and should be GRANTED.

IT IS ORDERED, THEREFORE, that responses to the Reports shall be filed no later than August 24, 2001. The time and date of the next status and scheduling conference will be announced.
