MOTION TO JOIN ADDITIONAL PARTIES DEFENDANT

The United States of America (“United States”) hereby respectfully requests the Court to join as additional parties defendant the entity and persons named below and order the parties to answer the United States’ Complaint in this action as required in any civil action in the United States District Court or suffer default judgment against the parties. In support of this motion, the United States asserts:

1. The entity and persons listed below are diverting and using or may claim a right to divert and use surface or underground waters within the Zuni River stream system in New Mexico:

Subfile No. ¹	Defendant
ZRB-1-0049	MAUREEN KEARNS AND ROBERT KAMMERER TRUST 551 SCHOOL RD. MCKINLEYVILLE, CA 95519
ZRB-3-0177	DARRYL ROWAN 322 N. IRMA VISALIA, CA 93292
ZRB-3-0177	DEANNA ROWAN 322 N. IRMA VISALIA, CA 93292
ZRB-3-0016	CHARLES E. BELL, JR. HC 65, BOX 3008 CONCHO, AZ 85924
ZRB-3-0016	VALERIE S. BELL HC 65, BOX 3008 CONCHO, AZ 85924

The water uses, or claims to the right to use water, of these parties are subject to the laws of the State of New Mexico and the United States. This Court has exclusive jurisdiction to adjudicate all claims to the right to divert, store, or use public waters of the Zuni River stream system in New Mexico.

2. The entity and persons listed above may be diverting and using water associated with the subfile numbers indicated, or may otherwise be using or diverting surface or underground waters within the Zuni River stream system.

3. The entity and persons listed above are being joined at this time as a result of updated ownership information obtained from county records and from Exhibit "A" to the Answer filed by Diane Waters, Trustee of the Charles R. Braun and Diane B. Waters Revocable Trust (Doc. No. 1234).

¹ The United States provides Subfile Numbers in motions to join only for tracking purposes, and not to limit in any way the scope of the joinder sought.

4. For the benefit of other parties, and by way of explanation, the United States asserts that motions to add additional defendants, dismiss defendants, correct defendants' names, and take other corrective action, are parts of an on-going process made necessary by the hydrographic survey, defendants' responses, and other kinds of new information received during the course of this adjudication. The United States advances such motions primarily for the purpose of ensuring that the Court's records indicate as accurately as possible the persons or entities that are parties to this case.
