Re: Case 6:01-cv-00072-BB-WDS Document 2654 Filed 5-03-11

Dear Ms. Gabin:

Thank you for your conversation a few minutes ago. I have received notice of the above case, and plan to make every effort to be present. However I have a close relative who is terminally ill and expected to die shortly. Likely this will occur well before the court date, but possibly not. It is conceivable that travel to her funeral will make it impossible for me to be present on May 31. I will make every effort to be there, but If I cannot, I would like to ask to be excused and to have other arrangements made.

Sincerely

Henry R. (Hank) Grizzle
