ORDER DENYING MOTION TO WITHDRAW

This matter is before me on the document entitled “Withdrawal and Substitution of Counsel” (Doc. 2975), which I liberally construe as a motion for withdrawal of appearance by Bruce Boynton, counsel for Charles Mallery. Mr. Boynton’s filing fails to comply with D.N.M.LR-Civ. 83.8.¹ As such, the motion must be DENIED at this time.

IT IS SO ORDERED.

 William P. Lynch
 United States Magistrate Judge

¹ Further, in addition to being erroneously framed as an order of the Court, the motion fails to list the correct judges’ initials in the caption in violation of D.N.M.LR-Civ. 10.1. Mr. Boynton is also reminded that an unopposed motion must be accompanied by a proposed order pursuant to D.N.M.LR-Civ. 7.2; please review the Court’s website for my instructions on submitting a proposed order to chambers.

A true copy of this order was served on the date of entry--via mail or electronic means--to counsel of record and any pro se party as they are shown on the Court’s docket.
