ORDER GRANTING REQUEST TO WITHDRAW FROM PARTICIPATION

THIS MATTER is before the Special Master on the letter dated November 21, 2008, from Cary and Lynne A. Grinold, in which they state that they no longer own property in Cibola County and are no longer participants in the Zuni River Basin water rights adjudication; and they request that their names be removed from the list of participants in these proceedings (November 26, 2008, Docket No. 266). Treating the letter as a request to withdraw pursuant to the Initial Scheduling and Planning Order entered January 3, 2008 (No. 151), and being otherwise fully advised in the premises, I find that this request should be GRANTED.

IT IS ORDERED, THEREFORE, that Cary and Lynn A. Grinold (a) may no longer participate in the adjudication of the water rights claims for surface and groundwater use made in this civil action on behalf of the Zuni Indian Tribe and its members, and (b) have waived all rights to further notice of, or participation in, the adjudication of these water rights claims.

IT IS FURTHER ORDERED that the above-named parties are bound by the final judgment entered herein.

Vickie L. Gabin

SPECIAL MASTER
